Clerk of Court,

I am writing to let you know that I have received this notice (of Electronic filing) through the mail. I had originally sent you my 1983 form. I don't have a copy for self. I also didn't serve a copy to the Def. Should I send a copy of this action, with a 285 form back to you? I have absolutely no idea the steps I'm supposed to take. Because I did not keep a copy of my 1983 form, could you please send me a copy. Thank-you!

Sincerely
Dallas Tingle Sr.
